

"AND HE SAID UNTO THEM, GO YE INTO
ALL THE WORLD, AND PREACH THE
GOSPEL TO EVERY CREATURE."

MARK 16:15

We are entering a season of the most widespread massive global harvest in the history of Christianity. God is increasingly calling me to circle the globe and proclaim the soul-saving and miracle-working message of the Gospel to SOULS, SOULS, SOULS! Today, however, we are faced with a monumental challenge—as well as a tremendous and historic opportunity—that is central to everything we do!

Benny Hinn

Dear Partner,

We are faced with both a monumental challenge and a historic opportunity. What you have in this brochure explains what God has provided to help us overcome our greatest travel obstacles.

The Lord has given to you and me—as co-laborers for the cause of Jesus Christ—the amazing privilege, calling, and responsibility to present the Gospel to the world! God's Word also tells us that salvation comes as men and women call upon the Lord. However, they will not call unless someone tells them to call. People cannot believe unless they hear the Gospel. And the Gospel cannot be heard unless someone is sent.

In Isaiah 6:8, the Lord asks, *"Whom shall I send, and who will go for us? Then said I, Here am I; send me."*

The technologically advanced solution to this great challenge is *Dove One*, and as the following pages explain, this safer, longer-range aircraft is designed and destined to become one of the greatest ministry tools in the history of mass evangelism. And I am asking you to be part of this historic miracle!

Benny Hinn

TODAY'S HISTORIC CHALLENGE

Why Dove One?

The pace continues to quicken as Benny Hinn Ministries sees unprecedented doors opening for ministry around the globe.

In the past year Pastor Benny crisscrossed the globe, flying 213 times to present the Gospel in person to an unprecedented 21 million people.

Last year alone, Pastor Benny spent well over 700 hours in the air—all exclusively for ministry travel. (According to the National Business Aviation Association, this total is substantially higher than the average 408 total hours flown by the typical corporate plane—for all of a company's executives combined!)

Millions of souls accepted Jesus Christ as their eternal Savior as a result of incredible crusades.

Upcoming months and years point to an even greater pace!

Our challenge is clear. In the past, we have utilized smaller planes and often had to resort to restrictive and cumbersome commercial flights for overseas travel. Now, Benny Hinn Ministries must purchase a ministry aircraft with increased range, superior safety, higher efficiency, shorter takeoff and landings, and greater economic effectiveness.

This next step is absolutely critical to everything our ministry is called to do. It is the only way Pastor Benny can continue to go as God directs. There is simply no possible way to minister as we are doing now by going to the nations by commercial airlines or less-efficient planes. The preparation and flight times alone would more than double. Safety would plummet. Physically, Pastor Benny could not maintain the current schedule.

We must equip our ministry with an aircraft capable of fulfilling the vision God has given us to reach the nations of the world in the most massive global harvest in the history of Christianity!

This next step is absolutely critical to everything we are called to do. Acquiring this incredible state-of-the-art ministry tool is necessary, monumental, and historic!

You are vital as Benny Hinn Ministries meets this great challenge!

Will you help with this historic, monumental challenge?

Will you play a strategic, vital role in providing this unmatched, state-of-the-art ministry tool, the *Dove One* Gulfstream G4SP, to safely and effectively help Pastor Benny Hinn go to the nations of the world?

For your gift of \$1,000 or more, you will receive these thank-you gifts to show our appreciation:

- You will receive a beautiful art-quality model of *Dove One* for your desk or mantle as a constant reminder that you are a vital part of this last-days harvest for souls.
- Your name will be placed prominently in a special area of *Dove One* where Pastor Benny studies and prays during his travels. Everywhere Pastor Benny flies, your name will travel with him, millions of miles and for years to come, reminding him that you have made it possible to go and preach as God has called him to do. He wants to keep the names of his closest and most generous friends nearby as he travels the globe in the highest "prayer tower" in the world, at 40,000 feet in the heavens, where he will intercede for you and ask God to pour out an unprecedented and unusual anointing upon your life.

The greatest reward, of course, will be the multiplied millions of lost souls who will hear the Gospel and be won to the Lord Jesus Christ because of your vision—millions saved who would not have heard without these newest technologies.

Will you be part of this strategic, historic challenge and opportunity?

DOVE ONE...

THE WORLD STANDARD™ BECOMES A POWERFUL TOOL OF THE GOSPEL

Benny Hinn Ministries has the opportunity to acquire a safer, longer-range aircraft—the Gulfstream G4SP—which is a powerful and technologically advanced ministry aviation tool to take the Gospel to the nations.

For more than four decades, Gulfstream has set the global standard for technologically advanced corporate aircraft, and the Lord has provided *Dove One*, an aircraft that became available just as the door of opportunity began to close on aircrafts the ministry had previously been utilizing! This powerful ministry tool has been meticulously designed and crafted for the ultimate in safety, workmanship, efficiency, performance, quality, effectiveness, and worldwide product support.

- Long-range capabilities, to 4,350 nautical miles
- Energy-efficient altitudes, to 45,000 feet
- Lower operating costs
- Short takeoff and landing capabilities, allowing access to almost all airports around the globe

For the future of Benny Hinn Ministries, *Dove One* offers advanced flight and performance abilities!

The G4SP blends Gulfstream's World Standard™ tradition with advanced technology. Gulfstream cabins are world renowned for comfort and productivity, offering optimum space and a conducive atmosphere for Pastor Benny and his guests to prepare for upcoming crusades, work on ministry projects, pray in privacy, sleep comfortably, and arrive at each destination relaxed, replenished, and ready to fulfill God's command to take the Gospel to SOULS, SOULS, SOULS around the world.

***Dove One*—the amazing, state-of-the-art Benny Hinn Ministries tool that will take the Gospel of Jesus Christ to the nations as never before!**

The G4SP *Dove One* is equipped with Gulfstream's exclusive PlaneView™ cockpit, complete with the latest, most technologically advanced avionics suite. Gulfstream's Enhanced Vision System™ with infrared images increases flight safety for crew and passengers by enabling the pilots to see runway markings, taxiways, adjacent roads, and surrounding landscape, even in low-visibility conditions.
